CVs, pitches & good vibes – **JOBVERSE Állásbörze** experience

Last week, our employer branding team headed to Jobverse, and honestly, it was more than a work event, it was a real vibe.

Inspiring to meet so many talented, curious, and driven people exploring new opportunities and even cooler to see how many of them see their future with us at MOL. 🍷

Our booth wasn't just about job openings, we created experiences with:

📷 CV photo shoots

🎁 Fuel card giveaways

🗣️ Elevator Pitch contest

This event reminded me (again) how much impact our work has and that nothing beats the energy of face-to-face conversations. 🍷
